TEMA VIR 2014: **BOELIE**

Geagte Ouer/Voog

Hierdie jaar gaan die sielkunde departement fokus op vaardighede wat jou kind sal help om boeliegedrag te identifiseer, te hanteer en te verhoed. Dit sluit in strategieë om leerders te help om konflik vreedsaam op te los, boelie situasies te vermy en vriendelikheid onder mekaar aan te moedig.

Jou hulp sal waardeer word om hierdie strategieë te versterk. Ons sal voorstelle aanbied in die maandelikse nuusbrieff oor hoe jy kan probeer om jou kind meer bewus te maak van boeliesituasies en gedrag.

'n Ouer is dikwels die eerste persoon aan wie hul kind boeliegedrag sal rapporteer. Indien u bewus raak daarvan dat jou kind geboelie word, rapporteer dit dan asseblief skriftelik aan u kind se klassielkundige.

THEME FOR 2014: BULLYING

Dear Parent/Guardian/Caretaker

This year the psychology department will be focusing on skills that will help your child identify, cope with and prevent bullying. This will include strategies to help learners to solve conflict peacefully, avoid bullying situations and encourage kindness to others.

Your help would be much appreciated to reinforce these strategies. We will be offering suggestions in the monthly newsletter on how you could assist your child to become more aware of bullying situations and behaviours.

A parent is often the first person a child who is being bullied will tell. Should you become aware of your child being bullied please report it in writing to your child's class psychologist.
