## LADIES' TEA

On 21 April we had a lovely Ladies' morning with an amazing speaker, Vanessa Goossen, a former Miss SA finalist, who was wrongfully put in prison in Bangkok for 16 years.

We would like to thank every parent, staff member and member of the Governing Body who attended and contributed in any way.

## CLOTHING

As from **1 May** winter uniform is compulsory for all learners. Please make sure that your son/daughter's pants are the correct length (up to the ankles). No short pants may be worn. Grey socks and shoes are also compulsory. If you buy tights they have to be navy.

## SCHOOL COMMUNICATOR – D6 TECHNOLOGY

The d6 School Communicator is a one-stop platform for parent communications. d6 Technology's products are desktop and mobile applications designed to simplify the sending of news, calendar events, photographs and documents to a group of people from a central point. It is, in effect, an electronic newsletter, and pushes content daily to the end user.

*Lantern School* has been a proud member of the d6 Group since June 2015.

It is very easy to join, if you haven't so yet; simply send an email to [finance@lanternschool.co.za](mailto:finance@lanternschool.co.za) subject d6 communicator and we will send you the link to download on your desktop or smart phone.

Alternatively you can visit the d6 website <http://www.school-communicator.com/download.php> and download the d6 communicator.

This is a very effective way to communicate with parents and keep parents up to date with everything happening at *Lantern School*.
