3. **'Rare Disease day'**

Hi, my name is Ewan Griffioen. I was diagnosed with POMPE DISEASE in 2012.

My body does not produce the acid alpha Glycosidase enzyme (GAA) that helps break down the complex sugars (Glycogen) that is in the lysosomes (tiny Garbage collectors in the cells), into Simple easy to digest sugar (glucose) in the muscle. Therefore, my muscles do not work as they should. I am mostly affect in my lower limbs.

**Op Vrydag 1 Maart 2019**, kan leerders R10 betaal om Jeans en Tekkies te dra. Gelde wat ingesamel word, gaan vir Ewan se mediese onkoste

4. **Voedingskema Vrywilligers**

Ons is opsoek na ouers wat bereid sal wees om toebroodjies te maak, in die 2<sup>de</sup> kwartaal, vir die voedingskema. Enige hulp sal opreg waardeer word. Kontak asb. Vir Me Joanne Rossouw via die skool se e-pos of telefoon indien u bereid is om te help.

5. **Badkamerbenodighede Insameling - 15 Maart**

Lanternskool gaan 'n badkamerbenodighede insameling hou om goedere in te samel vir ouetehuse in die omgewing, asook vir die skool se voedingskemaleerders.

**Leerders kan gewone klere aantrek die laaste dag van die skoolkwartaal, 15**

**Maart, indien hulle 'n item soos die volgende saambring:** seep, tandepasta, tandeborsel, deodorant, waslap, room, lip ice ens. Die badkamerbenodighede kan aan die registeronderwyser gegee word tot en met 15 Maart. Die Laerskool- en Hoërskoolklas wat die meeste insamel sal 'n prys wen!
