Hierdie is 'n uiters effektiewe manier om met ouers te kommunikeer en hulle sodoende op datum te hou met gebeure by **Lanternskool**.

#### 5. **LIEWE OUERS**

- \* Ons wil u daaraan herinner dat die towerwoorde soos hallo, asseblief, plesier, ek is jammer en dankie, tuis aangeleer moet word.
- \* Dit is ook by die huis waar kinders leer om eerlik, betyds en pligsgetrou te wees, om aan vriende simpatie te betoon, asook om die nodige respek aan ouer mense en al die onderwysers te betoon.
- \* By die huis leer hul ook om skoon te wees, nie te praat met kos in hul monde nie en hoe en waar om ontslae te raak van vullis.
- \* Hulle leer ook tuis om georganiseerd te wees, hul besittings op te pas en dat dit nie gepas is om aan ander te vat nie.
- \* Hier by die skool onderrig ons taal, geskiedenis, aardrykskunde, wetenskap, liggaamlike opvoeding, ens. Ons versterk slegs die opvoeding wat kinders by die huis vanaf hul ouers verkry.

## D6 TECHNOLOGY - SCHOOL COMMUNICATOR

The d6 School Communicator is a one-stop platform for parent communications.

d6 Technology's products are desktop and mobile applications designed to simplify the sending of news, calendar events, photographs and documents to a group of people from a central point. It is, in effect, an electronic newsletter, and pushes content daily to the end user.

**Lantern School** has been a proud member of the d6 Group since June 2015.

It is very easy to join, if you haven't done so yet; simply send an email to [finance@lanternschool.co.za](mailto:finance@lanternschool.co.za) **subject d6 communicator** and we will send you the link to download on your desktop or smart phone.

Alternatively you can visit the d6 website <http://www.school-communicator.com/download.php> and [download the d6](#) communicator.

This is a very effective way to communicate with parents and keep parents up to date with everything happening at **Lantern School**.

### DEAR PARENTS

- \* We would like to remind you that magic words such as "hello, please, you're welcome, I'm sorry, and thank you", are learned at home.
- \* It's also at home that children learn to be honest, to be on time, diligent, show friends their sympathy, as well as show utmost respect for their elders and all teachers.
- \* Home is also where they learn to be clean, not talk with their mouths full, and how/where to properly dispose of garbage.
- \* Home is also where they learn to be organized, to take good care of their belongings, and that it's not okay to touch others.
- \* Here at school, on the other hand, we teach language, math, history, geography, physics, sciences and physical education. We only reinforce the education that children receive at home from their parents.

Lantern greetings
