

19 APRIL 2021**Dear Parents/Guardians**

We have come to the end of a very challenging but satisfying term. The challenges have been great, and we know that we have all entered this year with mixed feelings, especially with fears and worries about Covid 19, but as always, we have had great success over this term. With your help and co-operation, we've sailed through the term. We appreciate your excellent co-operation regarding the Covid regulations, as well as the fantastic way in which the learners were picked up and dropped off. The same regulations will apply next term. **Masks are mandatory.**

Our assessments have been completed but due to a problem with uploading marks on the SASAMS system we unfortunately will not have the reports ready before the holiday. The education department is still working on the problem. Learners' reports will be available as soon as the program is fixed/updated.

The schools close on **23 April at 12h00** for learners and will reopen on **3 May at 7h30**. We hope the learners have a good rest.

The winter season officially starts in May so learners will be required to wear winter uniform when the school reopens. **NO** learners are allowed to come to school in shorts, skirts or barefoot. We have also noticed that many learners have not been following school rules regarding clothing and hairstyles. Learners are required to wear grey socks (winter uniform). **NO** hats/beanies are allowed. Scarfs are available at the school's clothing store at R60 per scarfs. Only **black school shoes** are allowed **no** sneakers!

Thank you so much that we can rely on you as always.

Friendly greetings.

19 APRIL 2021**Geagte Ouers/Voogde**

Ons het gekom aan die einde van 'n baie uitdagende maar bevredigende kwartaal. Die uitdagings was groot en ons weet u het ook met gemengde gevoelens die jaar ingegaan met al die gevare en vrese oor Covid 19. Maar soos altyd het ons 'n groot sukses gemaak van die kwartaal. Met u help en samewerking het ons die kwartaal deurgeseil.

Ons waardeer u puik samewerking aangaande die Covid regulasies, asook die fantastiese samewerking wat ons gekry het met die aflaai en oplaai van leerders. Dieselfde regulasies sal volgende kwartaal van toepassing wees. **Maskers is steeds verpligtend.**

Ons assesserings is afgehandel maar weens 'n probleem met die oplaai van punte op die SASAMS stelsel sal die rapporte nie voor die vakansie gereed wees nie. Die onderwysdepartement is steeds besig om aan die probleem te werk. Leerders se rapporte sal so spoedig moontlik beskikbaar wees, sodra die program reggestel/opgedateer is.

Die skole sluit op **23 April om 12h00** vir leerders en ons heropen weer op **3 Mei om 7h30**. Ons hoop die leerders gaan lekker uitrus.

Die winter seisoen begin amptelik in Mei so die leerders sal wintersdrag dra sodra die skole heropen. **Geen** leerder mag met 'n kortbroek/rompie en kaalvoet skooltoe kom nie. Ons het ook opgemerk dat baie leerders die laaste tyd nie die skoolreëls volg t.o.v. kleredrag en haarstyle nie. Leerders moet grys kouse (wintersdrag) dra. **Geen** mussies word toegelaat nie. Serpe is by die skool klerebank beskikbaar teen R60 per serp. **Slegs swart skoolskoene** word toegelaat. **Geen** tekkies!

Baie dankie dat ons soos altyd op u kan staatmaak.

Vriendelike groete

**T GROENEWALD
